Hi Jessica,

I will make sure our top folks are there to include my Captain and Lieutenant. (As well as the 8 officers requested) I will make sure my schedule is free as well. Last year we did have some folks try to sneak in for a free meal.

On another note, I hope you don't mind me saying so, but your 100 Day Presentation that I saw online was fantastic. I love seeing all the initiatives you have and the thought process behind those ideas. Your team is fantastic and when you do move I will miss talking to them each and every time I am in the office. I know we don't see each other much and we don't have a lot of interaction, but the buzz you are creating is great and fun to watch as an outsider looking in. Just wanted to say this well it was fresh on my mind, since I don't see you much I figured why not now. Have a wonderful evening.

Hi Carol,

We would like to ask if we can use 8 of the DCBID's safety officers to assist at Treasures. In exchange, we would be happy to provide the BID with a complimentary table.

Thank you for your consideration!
